

A little humour

The boss wondered why one of his most dependable and valued employees was absent but had not phoned in sick one day. Having an urgent problem with one of the main computers, he dialed the employee's home phone number and was greeted with a child's whisper.

'Hello?'

Is your daddy home?' he asked.

'Yes' whispered the small voice.

'May I talk with him?'

The child whispered, 'No'. Surprised and still wanting to talk with an adult, the boss asked, 'Is your Mommy there?'

'Yes.'

'May I talk with her?' Again the small voice whispered, 'No.'

Hoping there was somebody with whom he could leave a message, the boss asked, 'Is anybody else there?'

'Yes', whispered the child, 'a policeman'. Wondering what a cop would be doing at his employee's home, the boss asked, 'May I speak with the policeman?'

'No he's busy', whispered the child.

'Busy doing what?'

'Talking to Mommy and Daddy', came the whispered answer.

Growing more worried as he heard a loud noise in the background through the earpiece on the phone, the boss asked, 'What is that noise?'

'A helicopter', answered the whispering voice. 'What is going on there?' demanded the boss, now truly apprehensive. Again, whispering, the child answered, 'The search team just landed a helicopter'.

Alarmed, concerned and a little frustrated the boss asked, 'What are they searching for?'

Still whispering, the young voice replied with a muffled giggle.....

'Me'.

.COVID Update: We are thankful that we are able to meet again and pray that restrictions will soon be lifted. In the meantime, please abide by the guidelines issued by the health unit. If you are unwell, please do not attend. Use hand sanitizers when entering the building and sanctuary. Maintain social distancing and wear a mask when distancing is difficult. Surfaces will be sanitized between services. Below is the latest update from the municipality on singing:

Singing, choirs and playing wind or brass instruments.

Consider using audio or video recordings instead of live singing or wind or brass instrumental music.

Group singing is strongly discouraged. However, if more than one person is singing, limit the number of people singing to the fewest possible.

Anyone singing or playing wind or brass instruments should be 2 metres from anyone else and separated by an impermeable barrier. If an impermeable barrier is not used, anyone singing or playing wind or brass instruments should be separated from any other person (outside of the same household or social circle) to the greatest extent possible (but at least 2 metres).

Coffee Time Snack:

Due to COVID restrictions, we will serve individually wrapped snacks. There are drinks available between services.
