The Lone Ranger and Tonto

The Lone Ranger and Tonto went camping in the desert. After they got their tent all set up, both men fell sound asleep.

Some hours later, Tonto wakes the Lone Ranger and says, "Kemo Sabe, look towards sky, what you see?" "The Lone Ranger replies, "I see millions of stars."

"What that tell you?" asked Tonto.

The Lone Ranger ponders for a minute then says, "Astronomically speaking, it tells me there are millions of galaxies and potentially billions of planets.

Astrologically speaking, it tells me that Saturn is in Leo. Time wise, it appears to be approximately a quarter past three in the morning.

Theologically speaking, the Lord is all-powerful and we are small and insignificant.

Meteorologically speaking, it seems we will have a beautiful day tomorrow.

What does it tell you, Tonto?"

"You dumber than a buffalo . It means someone stole the tent."

COVID Update: We are delighted that we are able to resume public worship on Sunday June 13. While we look forward to welcoming everyone back to church, things will inevitably be different to what we have been used to. Not one of us has been untouched by this pandemic and we will do well to seek out and recognize those changes in each other as we take these next steps together with God's grace. It goes without saying that you should only attend worship when you feel ready to do so – we will continue to stream our 11am Sunday service for those who are not yet ready, or unable, to attend in person.

This is the link to the YouTube channel: <https://www.youtube.com/channel/UCDYPsG8Cf6zDj1ui146RQXQ>

When you arrive at church please sanitize your hands using the sanitizer provided at the entrance. You will notice that the seating has been set out for social distancing. Masks must be worn indoors.

We will be doing congregational singing

Coffee Time Snack:

Social distancing rules are in effect during coffee/snack time. Please maintain a distance of at least two metres when you are downstairs.
