E-mail Mix UP:

There once was an Illinois man who left the snow-filled streets of Chicago for a vacation in Florida. His wife was on a business trip and was planning to meet him there the next day.

When he reached his hotel, he decided to send his wife a quick e-mail. Unable to find the scrap of paper on which he had written her e-mail address, he did his best to type it in from memory.

Unfortunately, he missed one letter, and his note was directed instead to an elderly preacher's wife, whose husband had passed away only the day before. When the grieving widow checked her e-mail, she took one look at the monitor, let out a piercing scream, and fainted to the floor. At the sound, her family rushed into the room and saw this note on the screen:

"Dearest Wife,

I know you are surprised to hear from me. I've just arrived and have been checked in. I see that everything has been prepared for your arrival tomorrow. Looking forward to seeing you then!

Hope your journey is as uneventful as mine was.

P.S. Sure is hot down here!

Jim Finlay is home and recovering after being hospitalized with an infection in December and again in January. He is feeling much better! That's not the way to start your retirement Jim! After 5 years, Jack has started a new chemo regime and we are delighted to report that he is having a much better physical response to his NEW cocktail of Chemotherapy: he is able to sleep more at night; his taste buds & appetite are better; he's not feeling as tired; and there is much less nausea, so far.

Prayer Requests:

There is a prayer box at the back of the chapel. Prayer cards are located in the chairs.

Pray for our nation and the world as we all go through this pandemic. Jack and Mae as Jack continues his cancer treatments in Sault Ste Marie.
